

Our Class is a Family

About Me Faces

Materials

- Materials
- Face Template
- Information
- Template
- Coloring Utensils
- Colored Construction Paper
- Staples/Glue
- Scissors

Directions

1. Fill out the information about yourself in information template and then cut out, fold down the middle on the solid line and set aside.
2. Use the coloring utensils to draw your face on the face template and cut it out.
3. Use the colored construction paper to cut out hair, glue it onto your face template, and let it dry.
4. Once you have finished coloring your face template, fold it in half face side up.
5. Staple or glue the back right side of your face template to the back left side of your information template.
6. You can open and close your “about me” booklet to reveal
